

NEW PENNEY MANAGER—William Paulson, J. C. Penney manager at Chelan the past 10 years, this week was getting acquainted with his new store in downtown Camas. Installed as president of the Chelan Chamber of Commerce, he was notified the following day of his transfer to Camas. "We're very much impressed with this community, despite Sunday night's heavy downpour," Paulson said. "We're sure we're going to enjoy this area." Now a Lt. Colonel in the U. S. Army field artillery reserve, Paulson served five years on active duty in World War II, being called into active status in the fall of 1940, serving in Belgium, France and Germany. The Paulsons have three children: Jim, a sophomore at the University of Idaho; daughter Lynne, a freshman at the University of Idaho, and son, Chris, in second grade. Paulson was in many civic activities in Chelan, being a past president of Rotary club there. He succeeds George Leininger, promoted to managership of the La Grande, Ore., store.
